666 WEST BALTIMORE STREET
BALTIMORE, MARYLAND 21201

I am very pleased to inform you that your application for admission to the Baltimore College of Dental Surgery, Dental School, University of Maryland at Baltimore has been approved by the Committee on Admissions. Please inform me in writing as soon as possible of your intention to accept or reject this offer of enrollment. Your acceptance must be received within thirty days, or the offer will be withdrawn.

As an act of good faith, all those who accept our offer of enrollment for the 1979-1980 entering class must submit with their acceptance a deposit which is not refundable. This deposit is $200.00 and will be credited to your tuition for the first semester. Please send your deposit by Registered, Return Receipt.

Applicants who are currently enrolled in academic programs must successfully complete all work satisfactorily prior to entrance in September, 1979 so that your grade point average will not fall below our requirements and must have maintained an acceptable standing at all institutions that you have attended.

The Committee on Admissions reserves the right to withdraw the offer of enrollment at anytime prior to matriculation if you do not maintain the acceptable standards established at the time of your application.

If you accept the offer of enrollment, it is necessary that you send me an official transcript of your grades from your undergraduate college(s) and, if applicable, graduate college(s) showing any degree(s) earned and the date(s) that they were awarded for all work completed through August 31, 1979.

Sincerely yours,

Charles B. Leonard, Jr., Ph. D.
Assistant Dean for Recruitment
and Admissions

Dr. John J. Bergquist

HONORARY SENIOR CLASS PRESIDENT

Rarely does an entire class have the opportunity to repay, at least in part, the great amount of time, effort, and genuine concern displayed by a particular instructor; and rarer still has anyone so markedly deserved such appreciation as Dr. John J. Bergquist. His immense ability to share his knowledge in a manner that is both instructive and stimulating is unparalled, as is his tremendous concern for us all.

It is with sincere appreciation, that the Class of 1979 has re-elected Dr. John J. Bergquist as Honorary Senior Class President.

HONORARY APT CLASS PRESIDENT

Robert W. Haroth, D.D.S., M.Ed.

Excellence of instruction was not a sufficient criteria to utilize in selecting an honorary class president. It separated too few of the faculty we have worked with in the past three years. What has made Bob Haroth outstanding in our minds is the fact that he, more than others, expressed a personal satisfaction in our successes, in the classroom and in the clinic. His tireless insistance that we master the theories and concepts has made the clinic a more rewarding experience for us all.

Uncle Bob, we put each other through the mill, but thanks for a job well done.

The Gorgas Odontological Society was organized in 1915 as a student organization, and later it was changed to an honorary student dental society with scholarship as a basis for admission. The Society is named after Dr. Ferdinand J. Gorgas, a pioneer in dental education and a great contributor to dental literature, and it was with the idea of perpetuating his name that the Society adopted it.

The Society makes for its objective the furtherance of dental knowledge by discussion and lectures. Gorgas is comprised of junior and senior members whose scholastic endeavors have placed them in at least the top third of their class. Four dinner meetings are held annually with guest lecturers selected to speak on diverse topics of interest to students and practitioners of the dental profession.

Zeta Mu Chapter of Alpha Omega Dental Fraternity planned a Calendar complete in the tenets of the fraternity. Academics were emphasized throughout the year as seen in monthly seminars with both local and non-local alumni. Fraternally, the alumni sponsored an Alumni Undergraduate Program, highlighted by a dinner-speaker evening. Baltimore Alumni and Zeta Mu enjoyed several Monday night scientific dinners which featured guest speakers. The close contact of members helped to build a large pledge class in Rush Week '78. A Wine and Cheese party and Rush Breakfast were the featured events of the week. Socially, the fraternity sponsored a September "Welcome Back Crab Feast" at the "Other Barn" in Columbia, Maryland. An Evening at Ski Liberty was also enjoyed by fraters as well as our annual Winter Party, which featured wine, cheese, deli, and a disc jockey. Topping the social season, Zeta Mu attended the annual Spring Away Weekend in Ocean City, Maryland.

In support of the international fraternity and the Alpha Omega Foundation, Zeta Mu embarked on a T-shirt sales campaign to raise funds to donate to the Hebrew University Dental School in Jerusalem, Israel. Alpha Omega founded and maintains that institution.

Delegates from Zeta Mu attended the International Convention in Orlando, Florida where Zeta Mu was awarded the "Chapter Efficiency Award" for the best all-around Alpha Omega undergraduate chapter for the second straight year.

The undergraduate Alpha Chapter of Psi Omega has been an active and growing professional dental fraternity at the University of Maryland during 1978-1979. Dinner meetings and social get-togethers helped the brothers and sisters of Psi-O to take a break from the academic world and relax.

Activities included a picnic at Miami Beach (Balto. Co.), "Sailing Night" on the Inner Harbor, a cocktail party on the 16th floor of the World Trade Center overlooking the Inner Harbor, and an evening at the John F. Kennedy Center for the Performing Arts. An open party and joint undergraduate/alumni breakfast comprised Rush Week activities. The year ended with Psi O's biggest event — the "Faculty Appreciation and Awards" night.

Fraternalism and the high standards of the dental profession are qualities one can find in Psi Omega. The officers and faculty advisor have worked diligently this year to achieve these worthwhile objectives for the Psi Omega membership.

The 1978-1979 school year was an excellent one for Xi Psi Phi Fraternity. The kickoff was an August Crab Feast-Swimming party at Ten Hills. Our successful rush was highlighted by a "Beer and Pizza Bash" at the Synapse and an "Open Bar and Buffet Dinner" at the downtown Holiday Inn. Other first semester activities included an Autumn Picnic, a "Pina-Colada Covered Dish Dinner" and a "Wine and Cheese Christmas Party."

Second semester began with a "Good Old Fashioned Beer Bash" and was followed by Dinner Meetings, a picnic, a Bachelor Night for our engaged members, and of course, the tradiational Ocean City Away Weekend (Did anyone ever find Z?). Many thanks to our officers, members, faculty, alumni and advisor Dr. Roy King for making this one of ZIP's best years ever.

STUDENT NATIONAL DENTAL ASSOCIATION

The Student National Dental Association was founded and incorporated as a non-profit organization in 1972 by a group of minority dental students. Today there are 30 chapters in the United States Dental Schools. The founders of SNDA sought to develop an organization that would speak to such issues as recruitment/retention; the dental health needs of minority communities; and future issues confronting organized dentistry.

The University of Maryland Chapter of SNDA was chartered in 1973. Since that time the membership has increased significantly. The Maryland Chapter is currently involved in viable academic, social, and community projects which are conducive to the overall professional development of minority dental students.

RUSSELL GIGLIOTTI AWARD

This award is given annually to the faculty member who best demonstrates the same dedication for the advancement of the art of dentistry and renders invaluable service to the dental student as exemplified by Russell Gigliotti. The 1978 recipient of this award was J. Richard (Wally) Bradbury.

WHO'S WHO AMONG STUDENTS IN AMERICAN COLLEGES AND UNIVERSITIES

In order to be selected as a candidate for membership in Who's Who Among Students in American Colleges and Universities, a student must be an outstanding leader, scholar, citizen, and participant in both educational and extracurricular activities.

To be chosen for this honor, a student is first recommended by the University and is then voted on by the national organization.

Dear Dr. Reese,

The SDA recently passed a motion for the recognition of Dee Williams. I thought you may be interested.

"Dee Williams is a vital and integral part of student life at the University of Maryland Dental School. Her importance is realized in all matters concerning the SDA, the Mirror, the Probe, and many other student activities. She is a rare jewel in the Dental School and we, the SDA, would like to acknowledge how much she is treasured."

Sincerely,

Marc Herman

A MESSAGE FROM THE PRESIDENT

In 1936, the Student Activities Council was organized to improve the general conduct of student affairs at the Dental School. Forty-three years later, the Student Dental Association has been making great strides in student affairs. The SDA seeks to modify student life in the School and strives to make the stay in school a pleasant one. The SDA attempts to accomplish this goal by altering the physical environment both inside and outside the school, providing input to various faculty council committees, relieving the stress of school via parties, and by providing additional learning experiences. This year marked the beginning of many new programs including: Speaker's Series, Studio 666, the 'NEW' Lounge, and Sugar Awareness Week. The traditional programs like the Bull Roast, Superstar Weekend, and the many auxiliary SDA Committees improved with age. We are currently one of the strongest Student Governments in the Country. Only continuing growth and influence can occur on the stable base provided by the 1979 SDA.

Ever wonder why some of your patients never come back?

Your patients expect and deserve the best. Otherwise, they become another doctor's patient. So you cannot afford to demand anything less than the best from your dental laboratory.

Take a hard look at your present dental laboratory and the services they provide. Do they offer you all the services you need, or do you have to call different labs for different services because of limited capabilities? Do their production schedules meet your requirements? Are their prices outrageous? Can they handle your intricate and detailed prescriptions?

Aronovitch Dental Laboratories has the reputation for being the best...that's why we've become one of the biggest labs in the Baltimore/Washington area. We are a full service laboratory providing prosthetic and restorative services that cover the complete spectrum of general dentistry. From fabricating porcelain fused to gold, porcelain jackets, Cermalloy® crowns and bridges, removable partials and full dentures or "precision" removable partials... give your patients the best. Call Paul Resnick, Sales Manager in Baltimore, 764-1014 or in Washington and northern Virginia, call 452-1262 for our quick daily pick-up service.

We help you succeed in the business of dentistry.

Dentistry is an art. It's a profession. And it's a business. At Healthco, our goal is to help you succeed in the business of dentistry.

The Healthco dealers throughout the United States and Canada offer you our years of experience in all phases of starting and managing a successful, productive practice.

We do much more than deliver equipment and merchandise on time. We also deliver on service. Your personally-assigned Healthco sales consultant, backed by a full-service facility, keeps you informed on the latest products and techniques.

He helps you buy your supplies efficiently and economically—both the name brands and Healthco's own fine-quality brands. He helps you minimize lost chair-time by providing speedy repair service; and because he and his service department know your equipment and your office, they can often assist you by phone to make repairs yourself.

Your Healthco representative can set up an inventory control program to insure an adequate supply on hand of your basic consumables. He can design a Custom Acquisition Program that will guarantee prices on consumables and small equipment for a full year. And he can set up a Healthco Custom-Lease® to enable you to buy equipment in the most economical manner in terms of your tax bracket. Only a full-service organization can meet all your needs. Let Healthco help you succeed in the business of dentistry. You'll be glad you did.

Your Host, Harold

Planning a restoration can be
likened to solving a difficult jigsaw puzzle . . .
often requiring painstaking care to bring together esthetics,
function, and preservation of remaining structures.

We can help! We work that puzzle every day.

Making the pieces fit requires skill, knowledge dedication and flexibility. And, the longer you do it the more adept you become. It's the personal service we have developed over half a century that has set Co-operative apart from the crowd. Our strength lies in our ability to "put together" restorations that best meet the individual requirements of the dentist and the specific needs of each patient.

We would like to talk with you about the requirements of your next case — from a technical point of view. That's what our service is all about. Send study models or simply give us a call. Discover why more and more dentists are turning to Co-operative to make the pieces fit.

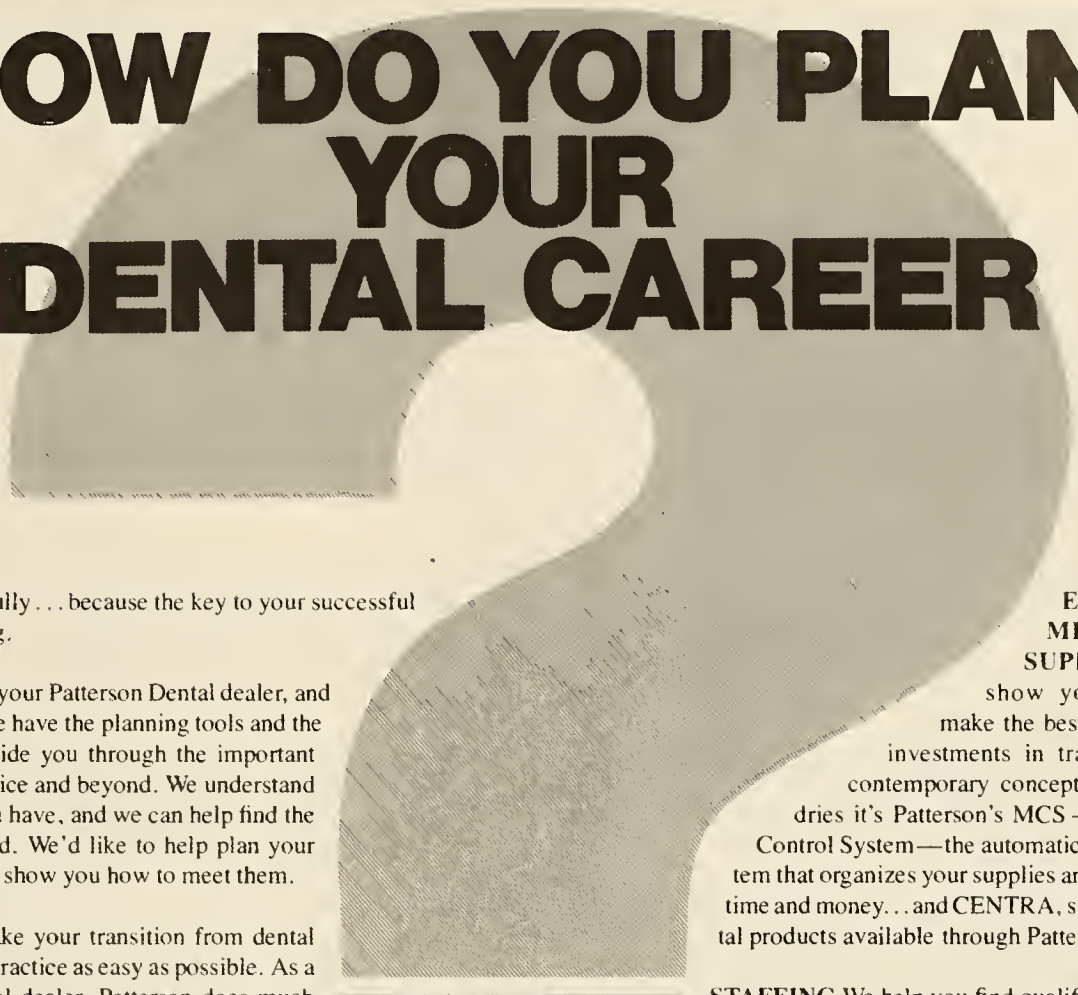
HOW DO YOU PLAN YOUR DENTAL CAREER



You plan it carefully . . . because the key to your successful future is planning.

Begin by calling your Patterson Dental dealer, and start out right! We have the planning tools and the experience to guide you through the important first year of practice and beyond. We understand the questions you have, and we can help find the answers you need. We'd like to help plan your career goals, and show you how to meet them.

Our job is to make your transition from dental school to dental practice as easy as possible. As a full-service dental dealer, Patterson does much more than sell top-quality equipment and sundries. We've put together a whole program of planning services dentists can use to build productive, rewarding futures . . .

"THE FIRST DAY THROUGH THE FIRST YEAR" is the name of Patterson's college audio-visual program, and our helpful planning workbook covering the major concerns of new dentists. Ask for your *FREE* "FIRST DAY" workbook from any Patterson branch. (See listing on back of this page.)

LOCATION ASSISTANCE Our nationwide network of branches gives you a rich resource of opportunities around the country.

PRIVATE OR ASSOCIATE PRACTICE? We study available opportunities — a practice purchase, private practice or associateship—and find the best situation for you.

OFFICE PLANNING AND DESIGN Patterson's professionals design custom environments to satisfy your personal and professional needs. Using our unique Space Allocation System, we figure *exactly* how much space you'll use.

EQUIPMENT AND SUPPLIES We show you how to make the best equipment investments in traditional or contemporary concepts. For sundries it's Patterson's MCS — Materials Control System—the automatic supply system that organizes your supplies and saves you time and money. . . and CENTRA, superior dental products available through Patterson.

STAFFING We help you find qualified, competent assistants, hygienists and office personnel.

A PRACTICE MANAGEMENT PROGRAM is an essential part of your plan. We work closely with management experts, and we can put management techniques to work for you.

FINANCIAL PLANNING AND FINANCING is available through Den Cap, Patterson's affiliated finance company.

TRAINED TECHNICIANS are on call with preventive maintenance tips, and fast, on-the-spot service when *you* need it.

RESPONSIVE SERVICE from your local Patterson representative . . . news about equipment and products, and fresh Patterson ideas to save you time and money.

Patterson Starts You Out Right.
